IN MEMORY OF TOM NADDY, SR.

We cherish the memory of Tom's right, good and humble life here on earth.

BRO. JAMES DODS, S.M.
PRINCIPAL

SAINT ANTHONY HIGH SCHOOL
1618 LOWER MAIN STREET
WAILUKU, MAUI, HAWAII 96793

Dear Students:

I want to express my gratitude to you for your warmth and Ohana spirit that I experienced when I assumed the duties as your principal this year. I have been away from the Islands for over 25 years and my return has been gifted by your graciousness.

I was born and raised in Honolulu and graduated from St. Louis High School, St. Anthony's sister school on Oahu. My dad was born on the Big Island and my mom was born on Oahu. I come from a Hapa-haole background. Much of my work as a Marianist Brother has taken me to places like Japan where I taught in an international school for six years; California, fifteen of those years spent in our school in San Francisco; and the State of Washington, where I taught for the last three years before coming to SAS.

Our student body at St. Anthony's is something very special! I find that you care about each other and that you have a generous sense of service to your school and our Maui community. I have been impressed by the impact the St. Anthony Alumni has on all aspects of Maui life. Truly St. Anthony's has made an impression for good on our Island.

Our school is at a transitional point in its 139 year history. I believe it will be an exciting time for all of us as we approach the 21st Century. What contribution will the future St. Anthony High School make to the greater community? I hope that we continue to spread our "family spirit" so evident today in the student body. I hope that we will continue to be "academically competitive" in our studies. I hope that we will strive to be men and women "of character having sound moral principles and the academic training to assume our responsibilities as productive citizens" as our school mission states.

I know that each year, for me, will be a period of growth in and the understanding of the rich heritage that St. Anthony's represents. I am proud of the unity and spirit that has been expressed by our "family". Our motto for this year has been Ha'a Heo (pride), Lokahi (Unity) Mana (Spirit), = the SAS Ohana (family). Know that your intentions are close to me in mind, heart, and prayers. May God bless all of you!

Sincerely,

Bro. James Dods, S.M.

SENIOR HEROES

"SENIORS WE'RE PROUD OF YOU"

When you hear the words **"Senior Heroes"** what qualities do you think of? Some qualities that come to mind are leadership, excellence in academics, excellence in athletics, service, and/or involvement in activities.

The senior homeroom teachers and the faculty put their heads together and came up with these seniors who demonstrate one or more of those qualities.

Congratulations to the **"senior heroes of 1988!"**

JUNIOR PROMENADE 1987

Somewhere Out There . . .

On the night of April 4, 1987, by the moonlit shores of Kaanapali, the Class of 1988 celebrated their Junior Promenade in the Kaanapali Ballroom at the Maui Marriot Hotel.

The procession of the prom included the promenade of couples, the coronation and waltz by the King and Queen to "You are the love of my life", and the dance by the court to the theme song "Somewhere out there . . . Dreams come true".

Our Junior Prom is something we'll always remember for we turned our childhood dreams into a reality. It made us believe that **Somewhere Out There** . . .

"JAMMIN' HOT JUNIORS!"

This year the Junior class showed that they are **the class with pride and spirit.** During Homecoming, they got all dressed up, participated in every event, and proved their unity to all. Reigning over their class as prince and princess were *Billy Perry and Kim Saito.* This year the Junior class was unusually small in size, **but very big in heart.** All in all, the Graduating class of 1989 proved that next year they will be true leaders of the St. Anthony Ohana.

This year's Junior class was led by officers Mercy Yago- President; Lani Gomes- Vice President; Gracemary Feiteira- Treasurer; and Virginia Delima- Secretary.

Representing the Junior's during the Mr. and Mrs. Trojan contest were Shelley Garcia and Alan Canon, better known as Shelton and Alicia. "Aren't they cute?!"

Junior boys Calvin, Jason, Billy, Lawrence, Kimo and Billy "kick back" under the cool trees during their favorite class "recess".

During Homecoming week, the Sophomore class showed their sensational spirit at the Mr. & Mrs. Trojan Rally. Representing the sophomore class, were Michael Asentista and Maile Ridao who placed first in the Mr. & Mrs. Trojan contest. Mike & Maile completed their glamour walk to an original rap done by the sophomore class with beat box by Eric Miller and Ricky Caravalho. Miki then drew hoots and hollers as he danced the hula to Maile's original rendition of "Beat Lahaina, Lahainalunas".

As the week went on, the Sophomore class was united by the leadership of their officers: President, Kelly Hensly; Vice President, Jason Palmeira-Yen; Secretary, Kimberly Jacintho; Treasurer, Marlene Duarte. A small committee worked to make a banner that represented the unity of the Saint Anthony Family.

DETERMINED AND DEDICATED

September 1883 - In the ninth year of the reign of King David Kalakaua, eight Marianist Brothers arrived in Hawaii. On Sept. 5, 1883 - Three of the Marianists came to Maui to then assume direction of the St. Anthony Boy's School. Thus, the beginnings of our St. Anthony School were formed and taking shape. In Jan. 1884, the Sisters of St. Francis arrived to start the St. Anthony's Girl's School. In 1928, the Franciscan Sisters left and turned over duties of the school to the Maryknoll Sisters. In 1969, the Boy's and Girl's Schools consolidated into one administration. In the same year, the Sisters of St. Joseph of Carondelet arrived to participate in the work of the Christian Education.

The religious orders brought with them their way of community life. They continually strive to live ideal patterns of life. Schools directed by them have a reputation of excellence. A forming of sound character has been their aim for their students.

The lay staff and faculty have been a vital part of St. Anthony since the very beginning. They have been the backbone of St. Anthony, providing the thread of continuity and support necessary to the success of our St. Anthony School and Ohana.

In 1987, We are privileged to have our administration and faculty consist of people who have generously and graciously accepted to serve St. Anthony with love in their hearts and the desire for excellence.

IT'S NOT THE QUANTITY BUT THE QUALITY

Learning how to study is a difficult and complicated process. St. Anthony provides a place where learning is easier, but there is no substitute for concentration and determination. Because of a small class enrollment students have a chance for additional individual help.

At St. Anthony's the students are fortunate to have the administration and faculty that we have, because they're not just our "teachers", but they've become our friends - helping us to learn and grow through faith, experience, and love.

The Yearbook Staff along with the SAS Student Body would like to pay a special tribute to our Administration and Faculty. Their ideals of dedication and determination have been excellent examples for all of us. For the time, hard work, and talent that they have put into our school - we would like to express our deepest gratitude, appreciation, and heartfelt thanks. Mahalo Nui Aloha, WE LOVE YOU ALL!!

THE HEART AND SOUL OF ST. ANTHONY

CAMPUS MINISTRY

Campus Ministry is an integral part of the St. Anthony Ohana. It is what makes our school unique among other Maui high schools.

Campus Ministry provides spiritual direction and leadership for the students of St. Anthony. Over one-hundred students participate by attending and leading retreats, administering liturgies and prayer services, and singing in the Choir. Every St. Anthony student, from seventh to twelfth grade, attends retreats with classmates during the school year. Overnight retreats are provided for Juniors and Seniors and are usually the highlights of high school for these students.

CHRISTIAN SERVICE

Christian Service is a school service project whereby students volunteer to help at such places as Hale Makua and the Maui Memorial Hospital. They also cleaned around the campus doing various jobs. These students, both as a class and as individuals, put in many hours of "unselfish love" to serve the school and community. In doing so, they have shown what it takes to be a Christian.

The Choir is composed of Jr./Sr. High School students and provides music for our prayer services and liturgies. They are also active and involved in singing during Christmas at Maui Memorial Hospital and Hale Makua. Mrs. Cantorna and Mr. Bracco are the moderators involved in keeping the choir in good voice.

Mrs. Cantorna's beautiful voice soars during the mass.

LIVING IN FAITH EXPERIENCE

L.I.F.E.

The L.I.F.E. retreat is an important part of St. Anthony Campus Ministry. Living in Faith Experience is a week long retreat that takes place in California and is sponsored by the Marianists. Students from seven High Schools in California and Hawaii, connected with the Marianists, get together for a week of spiritual growth and community building.

The **L.I.F.E.** students provide a core group for Campus Ministry and are active in ministering to their peers through various activities.

EXPERIENCES

MINISTRY MOMENTS

Enter into his gates with thanksgiving and into His courts with praise.

Sometimes, in our loud, busy, fast modern world, we forget to listen. Stop! Can you hear the birds chirping? . . . the cries for help from the needy? . . . your heart beating? . . . the sighs of a lonely classmate? . . . Even silence has a voice.

The Seniors in the period 6 Lifestyles class studied topics such as gifts, commitment, service, ministry, and opportunities for thanksgiving. They presented a unique silent thanksgiving prayer service so that the Student Body could also examine their gifts, commitment, service, ministry, and opportunities for thanksgiving.

They kept over 400 students and faculty in silence for nearly forty-five minutes. It was their hope to prove that one can be moved through silence — and they truly succeeded!

(top — bottom): Members of the Lifestyles class stand on stage to symbolize gifts that we are thankful for. "U" represents education, "N" for food, "I" for sports, "T" & "Y" for relationships, and "!" for love! Together they stand for UNITY! — Signs were held up so that the Student Body could understand the events in the prayer service and to keep them in silence. — The student body was called to write names of special people whom they are thankful for and have touched their lives. — The entire Student Body prayed for these special people. — The cheerleaders performed "You Are My Friend" in sign language. The lyrics "You are my friend . . . you're a very special person . . . I'm so glad to be your friend . . . I hope our friendship never ends . . ." allows one to reflect on their gifts, commitment, service, ministry, and opportunities for thanksgiving.

KILAUEA

HOME OF MADAME PELE

Kilauea, the home of Madame Pele, was the quest of our Natural History of Maui class. Guided by Mr. Dan Shulte, the group flew to the Big Island to explore the Hawaii Volcano National Park. They had the opportunity to witness the mystery of a natural geological phenomenon. The class expanded their studies of tectonics and ecological succession by studying the information available in the park. Our group also experienced an awesome display of fountaining lava inching its way across a 200-year-old lava field. A real RAD time was had by all!

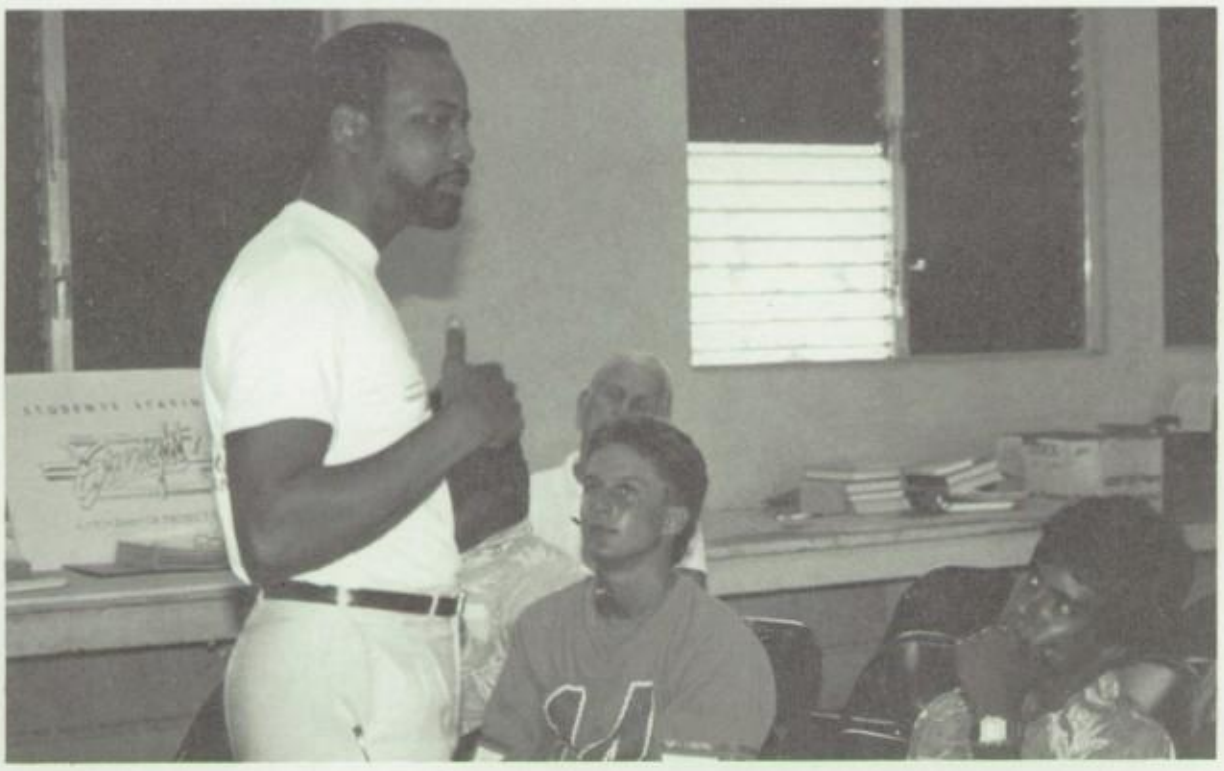
(top-bottom): Members of the class walk together as they explore the trails of Kilauea while they venture to the Thurston Lava Tube.
— The class learns more about the elements of Kilauea. They studied the sulfur deposits and vents.
— The students took time out to examine the native flowers and plants that grow along the trails.
— The group, along with Mr. Shulte, takes a final picture before departing their one-day Kilauea adventure. In the distance, the lava is shown flowing into the ocean.

MEDIATION
STRAIGHT FROM THE HEART

Mediation is a group process to resolve conflict on a peer level. Students selected by the school are provided with special training in order to "help two or more people to help themselves to solve their own problems" according to senior Anthony Perry, who has participated in the **Mediation** program for six years. During the mediation process the mediators talk to each person individually in order to obtain information, then they hold a joint session which eventually leads to a written agreement. In more serious conflicts, there may be follow-ups to see how the people are doing. This year Saint Anthony was represented at the state conference by Judy Oliveira, Julie Oliveira, Dawn Ledward, Lani Gomes, Frank Garcia, Daniel Ornellas and Michael Davis.

The Saint Anthony student mediation team consists of Anthony Perry, Michael Davis, Judy Oliveira, Julie Oliveira, Lani Gomes, Dawn Ledward, Frank Garcia, Daniel Ornellas, Ray Watanabe, Reid Watanabe, Alyssa Lopes and Chuck Clayton.

STUDENTS STAYING STRAIGHT



American society is faced with a war for its youth and its future. The enemy: drugs, alcohol and their abuse. The war fronts are our schools, our worship centers, our homes. Drug abuse is hindering the physical, emotional, psychological, moral and spiritual growth of our society. We must fight back. **Students Staying Straight,** also known as Project 714, is a drug prevention and intervention program for schools. It exists to help students refrain from using alcohol and other drugs by providing an organized program of positive peer pressure and caring confrontation. **Triple S** is open to all students who wish to take a positive stand against alcohol and drug abuse by making a commitment to abstain from using alcohol and drugs. The **Triple S** officers for the 1987-1988 school year are: President- Rosela Balinbin; Sr. VP- Dawn Ledward, Sr. Councilman- Daniel Ornellas; Jr. VP- Beau Kowalski, Jr. Councilman- Ray Watanabe; Soph. VP- Sedra Raboy, Soph. Councilman- Vernette Pico; Frosh VP- Brian Kealoha, Frosh Councilman- Anne Wirtz; Rookie VP- Marcia Balinbin, 8th Councilman- Gerie Antonio, 7th Councilman- Mischa Poles

SAS BAND

LET THE MUSIC PLAY

Although small in number, this exuberant group of musicians never failed to come up with a varied array of melodic selections. They provided inspiring fight songs for the athletes throughout the year, and they provided entertaining half-time shows. They also performed energetic pep rally exhibitions that put the crowd into a frenzied state. The band practiced daily, and it showed, because they consistently played as one harmonious unit. They captured the essence of our St. Anthony motto: **STRENGTH IN UNITY.** The Saint Anthony band was under the direction of Mr. Billy Paney.

Band members are: Mark Acopan, Kelley Androsko, Richard Archer, Nara Boone, Lawrence Borges, Donald Brown, Richelle Camara, Josephine Censer, Jessica Clothier, Wendell Corpuz, Randy Cortez, Darren Espirito, Charlie Essers, Edwin Feiteira, James Felipe, Vickie Graham, Michele Inamasu, Jeremiah Johnson, Charis Kahauolopua, Brian Kealoha, Jenna Kennedy, Damien Mason, Erin McClelland, Mathew McNeff, Misty Pasco, Jody Ribao, Michael Silberstein, Roger Spring, Felix Vellina, Vickie Warzecha, Kekoa Whitford, Jan Yamanoue, Marguerite Young. YEARBOOK STAFF

The 1987-1988 yearbook staff of St. Anthony High School began the school year with high expectations. Their goal was to create the finest yearbook in the history of St. Anthony's. With determination, dedication, and creativity the sixteen member staff worked hard designing the book, creating layouts, taking the photos, writing the copy, proofreading the pages, selling ads to pay for the book, and attempting to meet the deadlines. TEAMWORK was our number one success as we publish our outrageously awesome yearbook. WE DID IT!!!

We would like to extend a very special "thank you" to Russell, Susan, and Shane, of Beach's House of Photography for their constant help and support in the publication of the 1988 edition of *THE BROCKEN.*

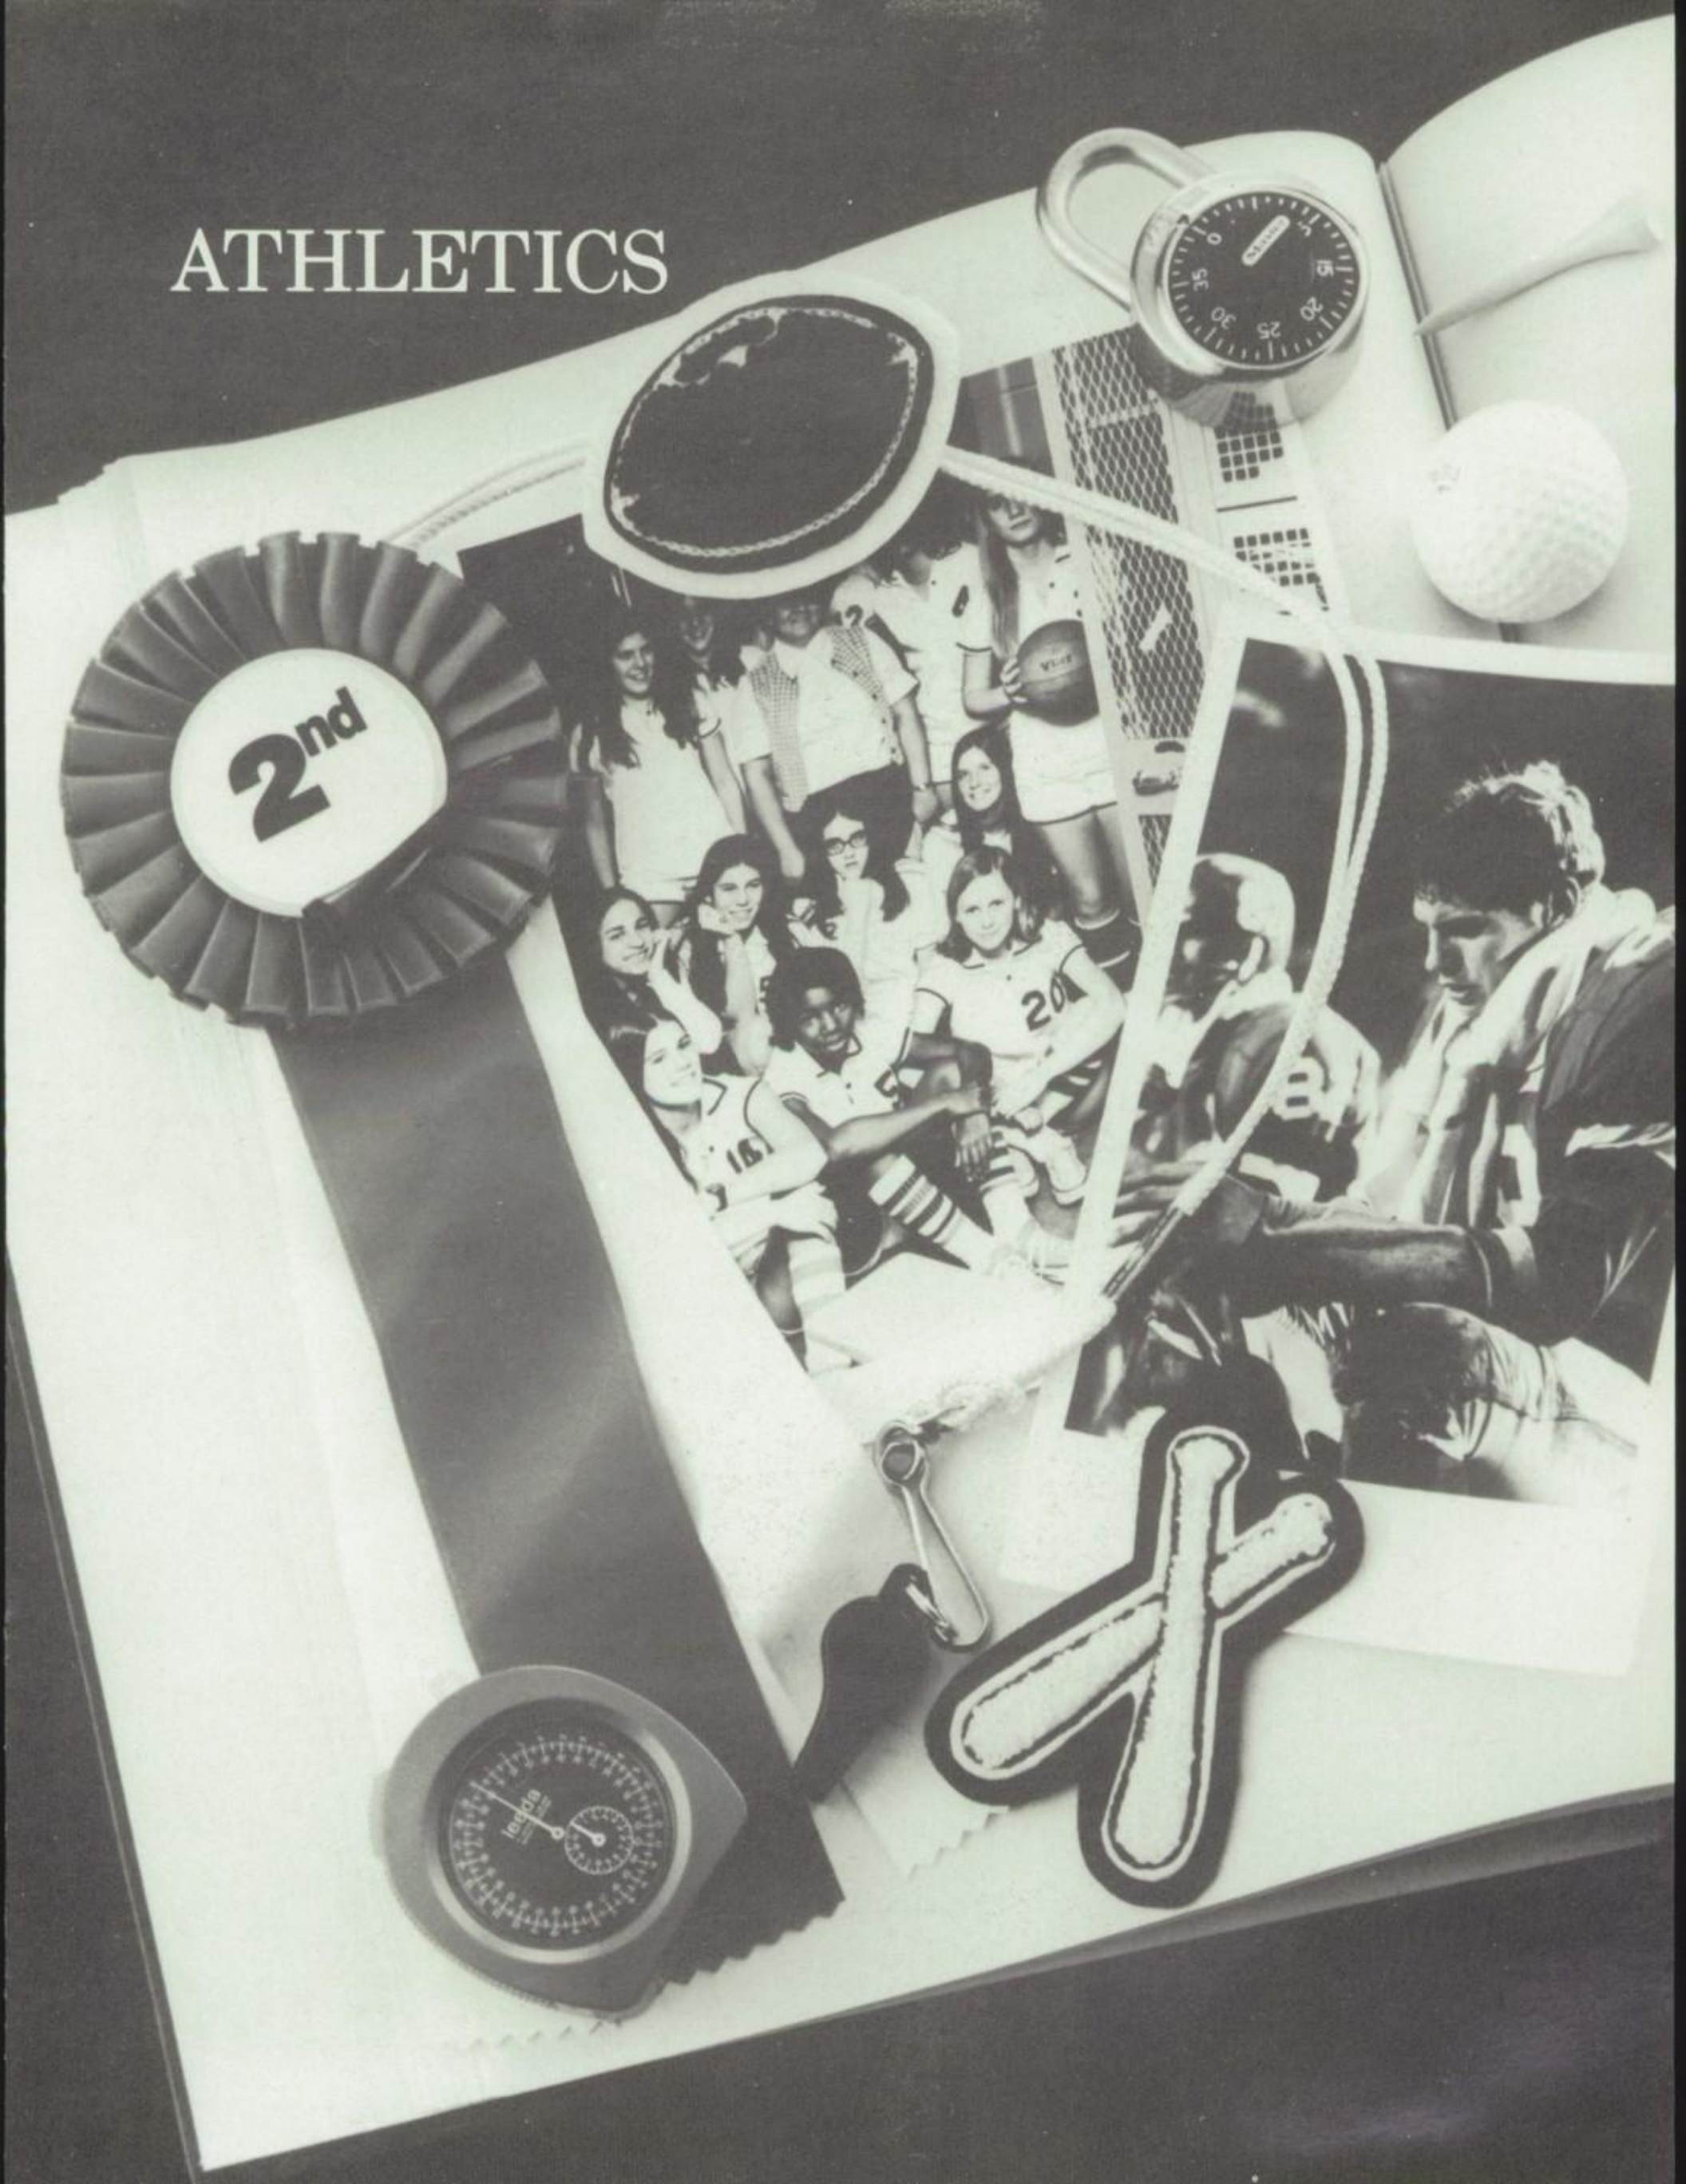
ATHLETICS



BOY'S VOLLEYBALL

The boy's and girl's volleyball teams exemplified spirit and pride with their never say die attitude. It was their first year in M.I.L. play, and though the scoreboard may not indicate it, their flourishing competitiveness stood out in the M.I.L. They progressively improved from their first to last game. Toward the end of the season, they had perfected their sets, and were pulling off numerous power packed slams.

The Trojan volleyers huddle around head coach Meyer for last second strategy.

BOY'S CROSS COUNTRY

This year's courageous Trojan Cross Country Team exploded with a lightning stride and with the endurance to win. As each meet passed, their opponents saw the determination and lust for winning that the Trojans possessed.

Their spirit as well as pride showed incredibly through the year. Towards the end of the season their grueling practices paid off because they ran exceptionally well in the state finals.

TROJAN WARRIORS

A LIGHTER SIDE OF THE TROJANS, AS THEY HAM IT UP FOR THE CAMERA.

The Trojan Varsity Football team did well in M.I.L. competition this year, despite a small squad plagued with many injuries. The spunky Trojan warriors kept us close in every game playing with determination, courage and relentless desire.

Under the wing of 2nd year coach Patrick McCall, the 25 man team was constructed into one finely tuned football machine. Our destructively hard hitting defense only allowed twelve points per game, and shut out the Lunas in our 3-0 homecoming victory. We placed third in league, and were the only team to hold our cross town rivals, Maui High, to under seven points.

Offensively Junior quarterback, Beau Kowalski passed for 21 completions, for a total of 230 yards, and our powerful running backs ran for a solid 443 yards. Morale was down at times when there were injuries to many crucial players, but even numerously outmanned, we reached deepdown and kept striving till the end.

We had a season that will be remembered. The Trojans had a quality team that earned and deserve much respect.

The fired-up J.V. Trojan squad was small but potent. Their brave and frisky style of play consistently contained their M.I.L. opponents.

On numerous occasions the Trojans played with such ferocity that it kept our M.I.L. competition scoreless for quarters at a time.

This small team came together to form a competitive unit that held their own in league play. They exemplified unity at its peak and will serve as a model of pride for teams to come.

St. ANTHONY SALUTES A WORLD CLASS CHAMPION

IAN BOYD has been windsurfing since he was 8 years old. At fourteen Ian moved to Maui. He has attended St. Anthony High School since the 9th grade. During his Junior year at SAS, Ian placed first in the O'Neill/Marui Invitational Wave Sailing Contest. Winning this event put Ian among the best in the world. As part of his professional status Ian has traveled around the world for contests, tradeshows, and various other events. He has written many published articles for Windsurfing magazines. He has won the respect of his fellow students as well as his teachers. Although Ian has spent the past four years away from his family, he has found family at SAS. We are proud of Ian and send him off with love and a wish for continued success.

TENNIS

Under the direction of Neil Texeira, the Trojan tennis team proved that dedication and not the size of the squad is what counts. They were a small team, but strong in spirit. Their hard work, determination, and enthusiasm were the marks of this tennis team.

BASKETBALL

Taking a stroll down the hallowed hallways of St. Anthony basketball "memory lane" makes a chill run up our spines. Losses stare at us with wolf-like eyes. The agony of defeat haunts this venerable old institution.

In 1988 there was an uprising. A freedom-fighting and dominating group of crusaders came to rejuvenate the St. Anthony basketball program, and conquer the MIL.

The Saints had a winning pre-season going 6-3, and finishing runner-up in the Maui High tournament. They finished 7-3 in league play, and were in contention for a State tounament berth. Midway through the season, the Trojans upset the Molokai Farmers who were ranked eighth in the State. They also beat seventh ranked Baldwin High by a four point margin.

The Trojans were led by seven solid Seniors who had the experience of being teamates for several years, and who performed consistently as one competitive unit.

The Trojans had their best season since 1977 when they finished second in the league. This season initiated an era of victory, and should bring pride back to the program.

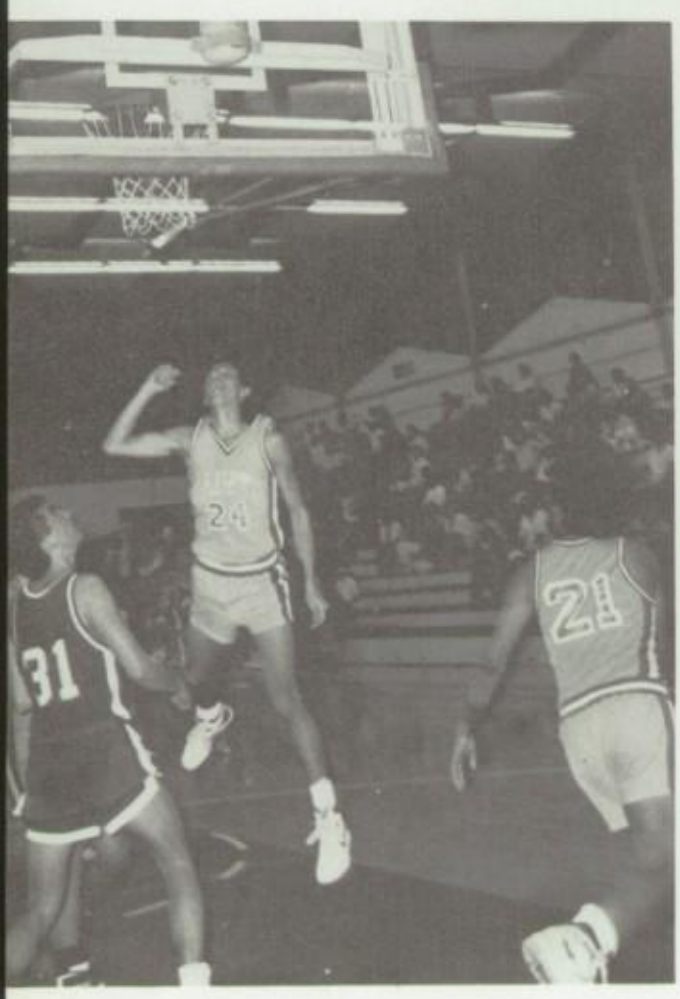
Trojans down Bears, 69-65, for MIL upset

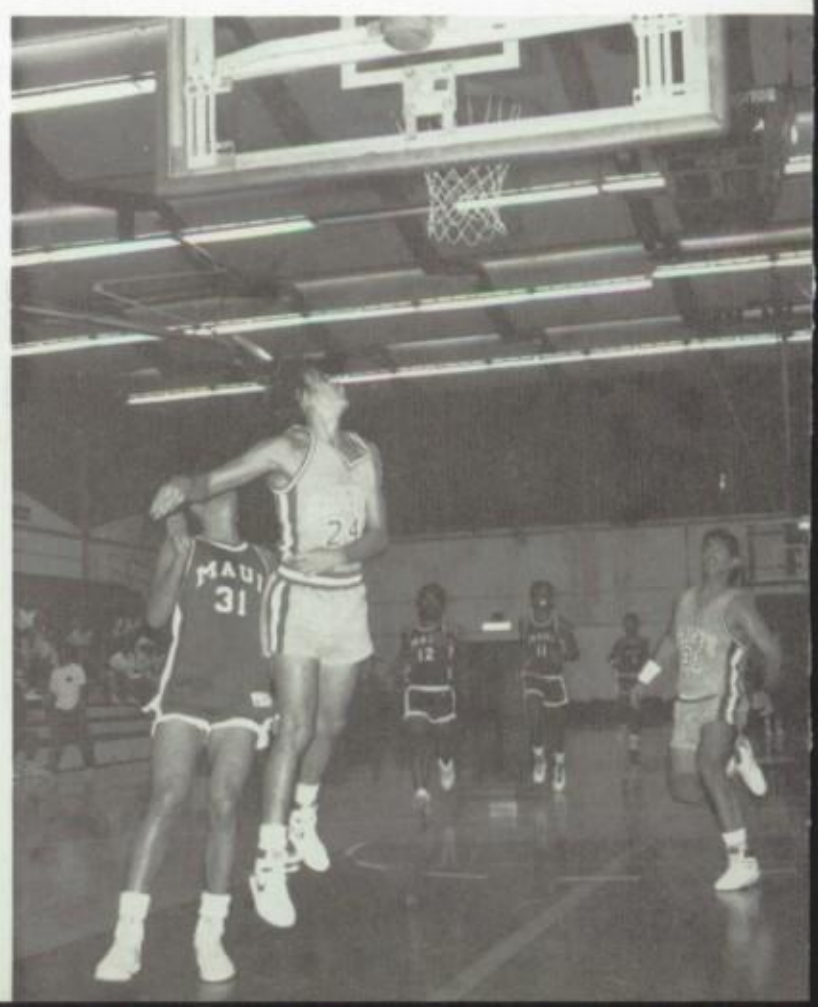
By RODNEY S. YAP
Sports Writer

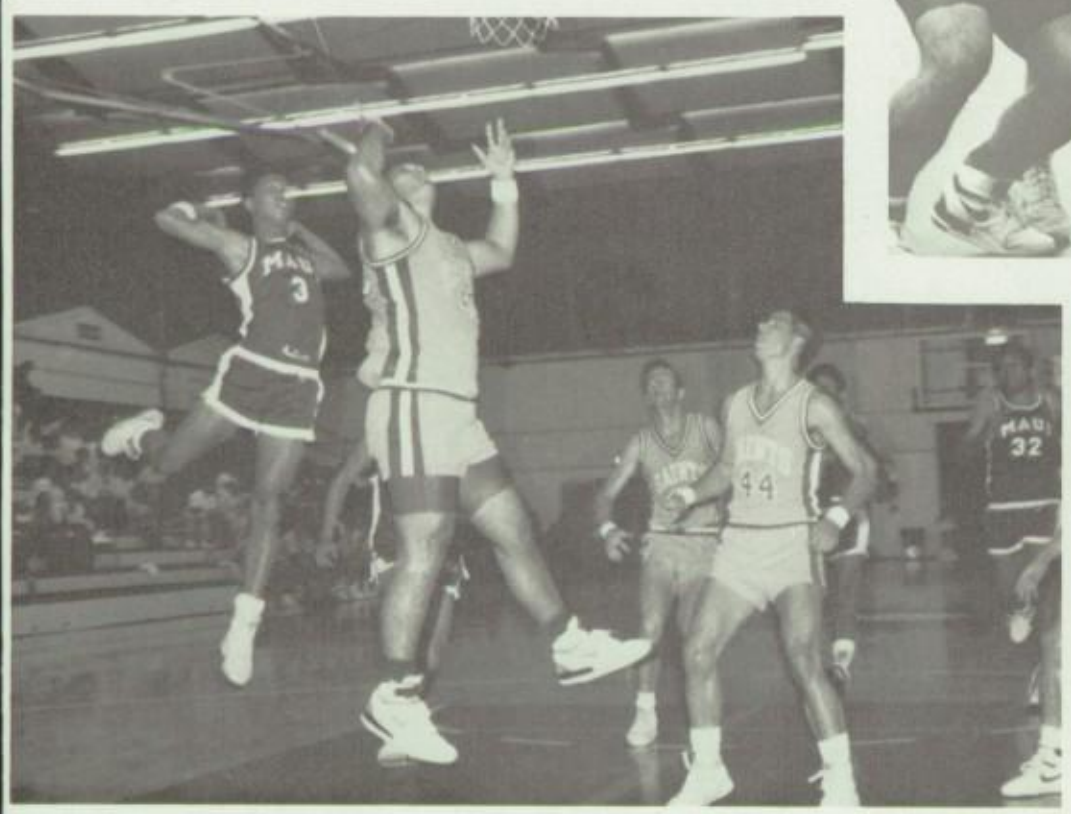
WAILUKU — The St. Anthony High School basketball team had two wishes this season. One was to make it to the state tournament. The other was to beat Baldwin High Schoo[l] before Jay Joaquin put the Bears up, 10-8, with a baseline jumper.

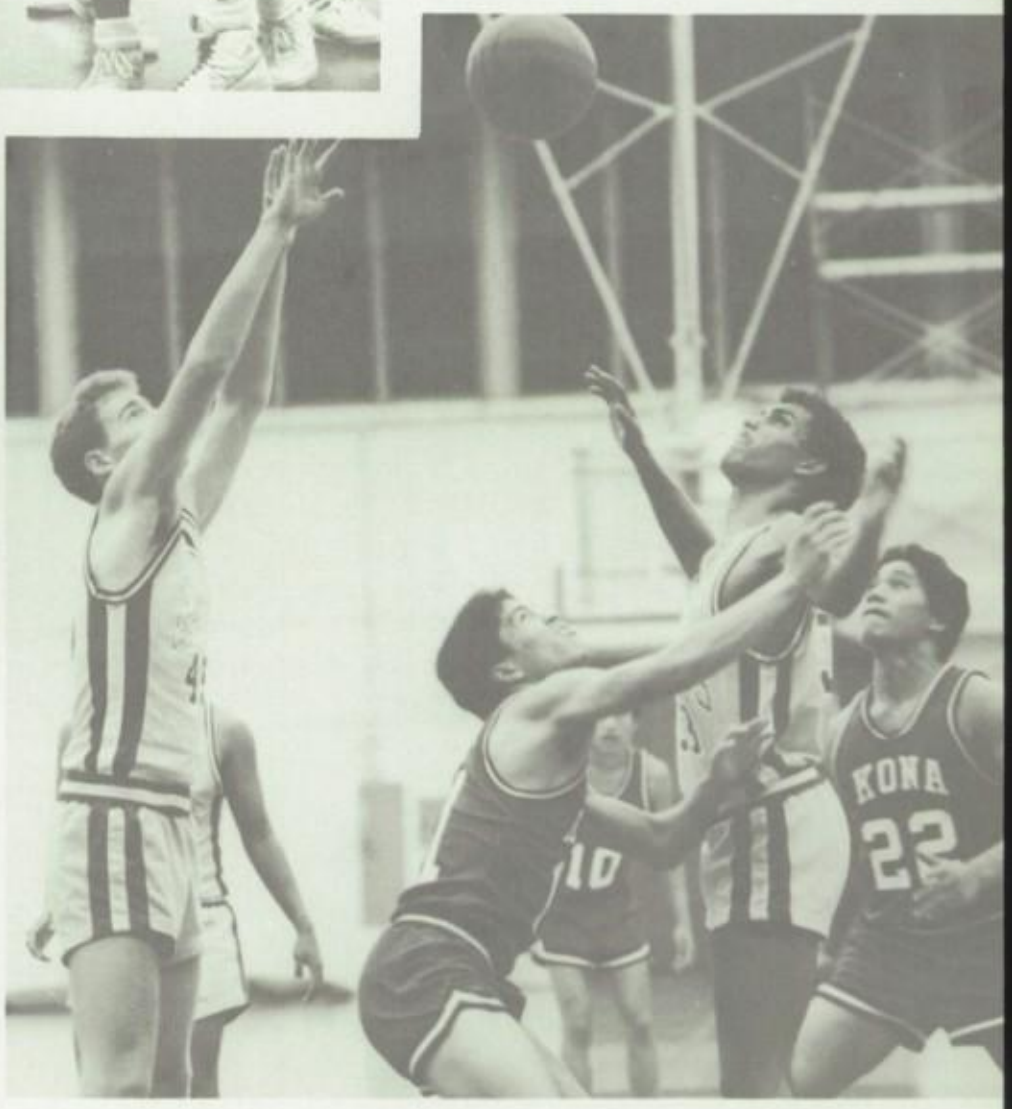
The game was tied four times in the first period before Pat Mulligan, who collected [illegible] of his [illegible] points in the fir[illegible] swish[illegible]

THE MAUI NEWS









"The Trojans turned wishful thinking into reality last night, upsetting Baldwin, rated No. 8 in the state, 69-65, before this season's largest Maui Interscholastic League crowd at the War Memorial Gymnasium. The victory was the Trojans' first over Baldwin in 11 years (1977)."

BASKETBALL JUNIOR VARSITY STYLE

Coach Medeiros goes over some last minute strategies with the Trojan team.

A quick wrap from Kevyn Nakamoto and Burke Walls is back in the game.

HA'A HEO (PRIDE), LOKAHI (UNITY), MANA (SPIRIT) =

These were the words which exemplified the 1988 Junior Varsity Basketball team. Once again coached by Carl Medeiros, the team continually demonstrated Trojan spirit and pride. Although they did not take home the MIL Championship trophy, they made their presence felt in every game. Power and precision was the name of their game.

ALOHA SENIORS

Determined and spirited from the start, the girl's varsity basketball team ended their pre-season play with the best record in the M.I.L. Under the enthusiastic and able direction of Coach Don Lenz, they exhibited a varied array of offenses and defenses which stifled and bedazzled thier opponents. The team's strength came from the experience of veteran senior players: Shawna Brinkerhoff, Lynette Cambra, Jennifer Lopes, Vivian Lopes, and Michelle Willson. This was the team with an abundance of H-E-A-R-T and S-O-U-l, and that made the difference in league competition. They were all ambassadors of the St. Anthony spirit, pride, unity, and that true OHANA feeling.

. . . TO THE ST. ANTHONY OHANA

He ho'omana'o aloha no Colleen Tompkins.
He wahine male, he makuahine, he kaikuahine,
He kumu, a he hoaaloha; Ua la'a.
No nā mea a pau i hala ai. . . Mahalo aku!
No nā mea e hele mai ai. . . E'ae mai no!
E Colleen, Mau nō ola i loko o ko mākou
Mau pu'uwai a me ko mākou nohona. Mahalo.

"She shared with us gifts of love and happiness expressed through friendship."

"Mrs. Tompkins was a high-spirited woman who did not let the little realities of life affect the friendliness in her."

"We all appreciated the joy and humor of Mrs. Tompkins."

"She taught us to celebrate life."

"Honest and down to earth . . . you could count on her to be there for you."

The Lord is my Shepherd, I
shall not want; he makes me
lie down in green pastures.
He leads me beside still waters;
he restores my soul.
He leads me in paths of
righteousness for His name's
sake.
Surely goodness and mercy
shall follow me all the days
of my life; And I shall dwell
in the house of the Lord
forever.
